Description Marmoleum is a homogeneous floor covering made from natural ingredients including linseed oil, rosin binders, wood flour, limestone and dry pigments which are mixed and then calendared onto a natural jute backing Topshield2 is a high performance finish. Its double UV cured layer technology delivers extraordinary performance and clean and vibrant colors that remain over time. Topshield2 creates a "ready to use" Marmoleum that requires no initial maintenance or polymer application. The surface can be repaired or refreshed in cases of accidents or after years of intensive use

LCA Environmental Product Declaration (EPD)
Multi-attribute MTS SMART Building Product Standard - Platinum (2006)

The HPD Standard is solely a declaration of product content and direct health hazards associated with exposure to its individual contents. It is not a full assessment of environmental impacts from the life cycle of this product. It is not an assessment of risks associated with actual use of the product. It does not address the potential health impacts of substances used or created during manufacture that do not appear in the final product as residuals, nor substances created during combustion or other degradation processes.

This Health Product Declaration was generated following the requirements of the noted Standard version and is valid for a total of three years after date of issue or three months after a substantive change of product contents occurs. Users should verify that this Health Product Declaration is compliant with the most current version of the HPD Standard. Accuracy of claims made in this Health Product Declaration is the sole responsibility of the listed manufacturer and certifier (if applicable). The HPD Collaborative does not warrant any claim made herein, explicit or implicit. The HPD Standard is an “open standard” developed and managed by the HPD Collaborative, a nonprofit organization. For more information, visit [hpdcollaborative.org](http://hpdcollaborative.org).

## CONTENT IN DESCENDING ORDER OF QUANTITY

All ingredients must be assessed for health warnings against Priority Hazard Lists, regardless of disclosure level.

Priority Hazard Lists and information on the GreenScreen Benchmarks can be found at [www.hpdcollaborative.org/hazardlists](http://www.hpdcollaborative.org/hazardlists).

**GS:** GreenScreen Benchmark; **RC:** Recycled Content, **PC:** Post Consumer, **PI:** Post Industrial (Pre-consumer), **BO:** Both; **Nano:** comprised of nanoscale particles or nanotechnology

Name	CAS RN	% weight	GS	RC	Nano	Role

#### ACCESSORY MATERIALS

This section is for additional products required by warranty or recommended by the manufacturer for installation (such as adhesives, fasteners, or factory coatings) or for maintenance, cleaning, or operations. Refer to Health Product Declarations, published separately, for a complete view of these products. Note: This declaration is not intended to address hazards of the installation process.

Required or Recommended Product	URL for Companion Health Product Declaration
<b>Condition when required or recommended and/or other notes</b>	
L885 Adhesive	
Adhesive used for installation	
Sustain 885m Adhesive	
Adhesive used for installation	
Forbo Neutral pH Cleaner	
Can be used during regular cleaning and routine maintenance.	
Forbo Matte Finish	
Can be used during routine maintenance.	
Forbo Residential Floor Finish	
Can be used during routine maintenance in a residence.	
Forbo Heavy Duty Cleaner	
Can be used during routine maintenance.	

Forbo Spraybuff	
Can be used during routine maintenance.	
Forbo Mop on Restorer	
Can be used during routine maintenance.	
Forbo Semi Gloss Finish	
Can be used during routine maintenance.	

**NOTES**

Products lines that fall under the category of Marmoleum Sheet are the following; Marmoleum Real, Marmoleum Fresco, Marmoleum Concrete, Marmoleum Vivace, Marmoleum Striato, Marmoleum Piano, Marmoleum Graphic, Walton Uni, Walton Cirrus, Marmoleum Unexpected Nature and Marmoleum Composition Sheet (MCS).
